

# Over All

144bpm

Words and music by Blessing Asebiode, Braden Scharfenberg ©2021

## **Verse 1 (1 - 4 - 6 - 4)**

Over all anxiety  
Over all uncertainty  
Over what tomorrow brings  
You are

## **Verse 2 (1 - 4 - 6 - 1 - 1/3 - 4)**

Over what my eyes can see  
You are bringing peace beyond understanding  
Jesus over everything

## **Chorus (1 - 4 - 6 - 4)**

So I'll lift You up, above it all  
For You alone are worthy  
My praise will rise  
In the night  
Nothing changes who You are  
Doesn't matter what I face  
I can call on this one name  
The name of Jesus, Oh Jesus

## **Verse 3 (1 - 4 - 6 - 4)**

Over what my future holds  
Over fear, You're bringing hope  
Over all, You're in control  
You are, You are

## **Bridge (1 - 1/3 - 4 - 6 - 5)**

My hope is found in this  
Jesus, my confidence  
And well into the night  
Praise will rise
