Verse 1 (C# - F# - A#m - F#)

Over all anxiety
Over all uncertainty
Over what tomorrow brings
You are

Verse 2 (C# - F# - A#m - C# - C#/F - F#)

Over what my eyes can see
You are bringing peace beyond understanding
Jesus over everything

Chorus (C# - F# - A#m - F#)

So I'll lift You up, above it all
For You alone are worthy
My praise will rise
In the night
Nothing changes who You are
Doesn't matter what I face
I can call on this one name
The name of Jesus, Oh Jesus

Verse 3 (C# - F# - A#m - F#)

Over what my future holds
Over fear, You're bringing hope
Over all, You're in control
You are, You are

Bridge (C# - C#/F - F# - A#m - G#)

My hope is found in this
Jesus, my confidence
And well into the night
Praise will rise
